

Personal Coaching | Life Coaching

Personal coaching is designed for adults who want to look at different areas of their life in an intentional way. While any topic can be discussed, common areas of focus include career objectives, work-life balance, wellness goals, healthy relationships, and spirituality.

PERSONAL COACHING PACKAGE (10 hours)	\$1,500
ADDITIONAL HOURS (after initial package purchase)	\$150/hour

Executive Coaching

Executive coaching is for individuals working within an organization that are looking for new tools to make themselves and their company better. Important skills such as emotional and conversational intelligence, team building and how to coach employees are provided. Executive coaching includes 20 hours of professional services over six months.

EXECUTIVE COACHING PACKAGE (20 hours)	\$6,000
ADDITIONAL HOURS (after initial package purchase)	\$300/hour

Organizational Coaching

Are you and your company dealing with a challenge and feel stuck? Organizational coaching provides the objective expertise needed to uncover new solutions to unhealthy patterns that are draining valuable time and money. Ideal for senior management and human resource departments looking for outside professional input.
